What is the School of the Vision?

THE FGBMFI School of the Vision is not a conventional school to train the mind or teach skills for a profession.

It is a form of prophetic impartation to help our members be more RESPONSIVE to Jesus as Lord by the Holy Spirit.

Why does it take 12 weeks to understand how Jesus wants to work with us? It shouldn't. But there are often layers of intellectual habits that our members bring with them that are actually a block to them receiving and complying with REVELATION from the Holy Spirit. For instance, there is a senior member of one of the FGBMFI nations who reported with tears: "I've been in this Fellowship for 30 years and read the Happiest People on Earth when I first arrived. But this time, when I read that book in the School of the Vision, I asked the Lord to reveal the message that He had for me in those pages. I've been crying for three days! Jesus is on every page. I just didn't see Him like this before."

The School of the Vision is not an academic experience, it is a spiritual experience. Every book that we review contains at least one key revelation from God to Demos Shakarian for Christian laymen. As we study each book, the Holy Spirit will impart this revelation to our students. It does not require scholastic preparation; it requires a willingness of heart to receive. (2 Timothy 2:2)

It is 12 weeks of discovering what Jesus wants from the body of Christ as Lord in this season.

The School of the Vision brings the REVELATION of the greatest miracle of history. In the Old Testament, men and women were expected to be Holy. In the New Testament, Christ in us is what makes us Holy.

God understands that our human nature is our greatest enemy. It always wants to rule over our lives and over the people around us. But the born-again experience happens to our spirit and that is why, with Nicodemus, we are able to see the Kingdom of God that Jesus has placed within us.

The School of the Vision is an occasion to restore our "reliance" on God and be led by Jesus the Lord so that the Fruit and the Gifts of the Spirit are expressed through us.

The cumulative effect of the revelation given by God to Demos Shakarian for laymen transforms us at our spirit level, not our intellectual level. Jesus in us can love more easily through us. He can express His goodness, gentleness, and faith through us because we are learning to decrease so He can increase His PRESENCE through us.

This is not just for FULL GOSPEL BUSINESS MEN; this is for all the body of Christ. That is the reason Demos Shakarian asked us to also be involved in our local churches, so that Jesus can shine among them.

When the School of the Vision began in 2020, someone suggested we write a manual so that anyone could teach in the school. When we prayed about this, the Lord told us that He had already given us the manual: Our Bibles and the books written by Demos.

This is why we don't bring in other books to teach our students. God is RESTORING the VISION given to our Fellowship. Vision refers to the will of God embedded in our members by the Holy Spirit. The Full Gospel refers to Jesus in men and women, expressing Himself through them by the Holy Spirit.

This comes by IMPARTATION to our Born-again spirit, not mental learning. In every nation receiving the experience of the FGBMFI School of the Vision, our members are being TRANSFORMED at their spirit level. Transformations embodies RESPONDING TO JESUS AS LORD BY THE HOLY SPIRIT.

They have known about Jesus as Savior and His Father, who have INVESTED so much of the Kingdom of God in each one of us. Jesus the Savior says to us: Come unto Me and I will give you rest.

- ❖ Payment of our sins by the blood of Jesus
- ❖ Eternal life
- ❖ Divine Nature
- ❖ The Holy Spirit and His Fruit: love, joy, peace, patience, goodness, gentleness faith, meekness, and temperance
- ❖ Christ in us, the Hope of Glory
- ❖ The Kingdom of God within us

But now **Jesus is calling us to FOLLOW HIM as Lord.** (Here is a revelation: The Fruit and the Gifts of the Spirit work together under the Lordship of Jesus by the Holy Spirit. That means He is doing the miracles through us!)

- ❖ Word of Wisdom
- ❖ Word of Knowledge
- ❖ Faith
- ❖ Gifts of Healing
- ❖ Miracles
- ❖ Prophecy
- ❖ Discerning of spirits
- ❖ Tongues
- ❖ Interpretation of tongues

The FGBMFI School of the Vision HELPS our students' become INSTRUMENTS in the hand of Jesus to minister the gifts and the fruit together by the Holy Spirit. The books written by Demos Shakarian give the opportunity to learn these things:

- ❖ The Happiest People on Earth
- ❖ A New Wave of Revival- The Vision Intensified [?](#)
- ❖ The Ultimate Dimension
- ❖ A New Wave of Revival in Your Finances
- ❖ Behold the Glory of God
- ❖ Divine Life
- ❖ Come Let Us Exalt Him
- ❖ The Greatest Business in the World

Each class is an opportunity for the Holy Spirit to come into contact with the students and impart spiritual revelation about how they can cooperate with Him in His mission in the earth today.
